

*Welded Aluminum Storm Doors*

*Welcome Home*

# ALUMI WELD STORM DOORS *Features*

**Arc-Welded Corners**  
HGI's metal inert gas (MIG) welded corners provide the strongest door available, in fact the corner is the strongest point on the door. Storm doors that are screwed together loosen, rattle & sag over time.

**Unique Pocket Hinge**  
Our nested hinge provides strength where it is needed most. As the frame of the door carries the weight, the hinges are not being pulled from the door during operation like competitors doors. Our hinges are self-lubricating and maintenance-free.

**1 1/4" Thick .062" Heavy Gauge Aluminum**  
Our premium aluminum is dent resistant and sturdy enough to provide years of beauty and performance.

**Cove Molded Frame**  
Our unique cove molded frame profiles offer beauty and style to your front door.

**Tempered Safety Glass**  
Heat-tempered safety glass ensures the safety of all family members and provides a clear weather shield that is three times stronger than regular glass.

**Non-Glare Fiberglass Screen**  
HGI's fiberglass screen won't dent or puncture like an aluminum screen and offers a clean, non-glare view.

**Heavy-Duty Pneumatic Closures**  
with wind chains provide smooth easy closing with a pull-close feature to ensure proper latching.

**Choice of Hardware**  
Choose from our Albany in black or white, The Brookfield in six finishes or our Full Mortise Lever lock in three metallic finishes.

**ALUMI WELD** by **HOME GUARD**<sup>®</sup>  
**STORM DOORS**

Home Guard Industries has been making doors & windows for over three decades. Quality has always been our first priority and the founding family still operates the company today. Our welded aluminum storm doors combine all the features of the best doors with the craftsmanship that is found in our small town Amish community. All HGI storm doors carry our exclusive lifetime warranty and will serve and beautify for as long as you own your home.

# Hardware and Color Options

## Standard - Albany Lift

## Mortise lock and deadbolt

## Brookfield lock and keyed deadbolt

The HGI exclusive color match system ensures that your powder coated storm door can match HGI entry doors, vinyl windows and sliding patio doors.

### Robotic Welded Corners

Our state-of-the-art robotic welder units ensure consistent quality, outstanding strength and HGI reliability in every door we build.

Due to the limitations of the printing process, printed colors will vary from the actual color. Please see your HGI representative for exact color samples.
